

Enjoy the convenience of having your premiums paid automatically through electronic funds transfer (EFT). Sign up in three easy steps:

1. Read, complete and sign Authorization A. This is your copy for your records. Detach it and keep in a safe place.
2. Read, complete and sign Authorization B, which is SER's copy. In the Existing Policy Number(s) section, please indicate all of the policies that you want on your EFT payment plan.
3. The monthly withdrawal for future payments will occur on the day of the month that corresponds to the Effective Date of your policy unless the Effective Date falls on the 29th, 30th, or 31st of the month, in which case the withdrawal date will be the first business day of each month.

For example, if your policy Effective Date is 2/10, withdrawals will occur on the first business day which falls on or after the 10th of the month, starting on the following month. If your policy Effective Date is 3/29, withdrawals will occur on the first business day of each month, starting on the second month after the Effective Date. Therefore the first installment will be due on the first business day in May.
